## PLEASE READ THE FOLLOWING NOTES CAREFULLY

- 1) Session durations will be limited in consideration of both officials and competitors so entries to all events in a session will be closed before the dates given above if, and when, the allocated session durations are reached. Please get entries in as early as possible to avoid disappointment.
- 2) A team claiming a national or international record must comply with all the requirements of the record concerned. In order to make it easier for clubs to enter teams the conditions of this competition are not as stringent as they are for national and international records.
- 3) If you do break either an individual or a relay team record, please complete the application form available from the medal table as soon as possible after the swim and hand it to the promoter so that the appropriate signatures can be obtained. Claiming a record after the meet may not be possible if the paperwork is not completed at the time.
- 4) Please comply with the warm up arrangements and with any instructions given by the warm up marshals. DIVING is only permitted in the sprint lanes; YOU MAY BE ASKED TO LEAVE THE WATER IF YOU DIVE INTO ANY OTHER LANE DURING THE WARM UP.
- 5) **Finding the pool.** For directions to the venue search on Google for The London Aquatic Centre.
- 6) **DON'T FORGET TO REGISTER ON THE SHEETS PROVIDED AT THE POOL BEFORE EACH SESSION TO INDICATE THE EVENTS YOU INTEND TO SWIM IN THAT SESSION**

I hope that you will enjoy the competition and would welcome constructive comments to enable us to improve it in future years.
